National Priorities List; Correction

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule, correction.

SUMMARY: On May 15, 2019, the Environmental Protection Agency published a final rule which added seven new sites to the National Priorities List (NPL) and changed the name of an NPL site. That document inadvertently contained a typographical error, citing Table 1 (General Superfund Section) in the instructions to make the site name change rather than Table 2 (Federal Facilities Section). This document corrects the final rule.

DATES: Effective June 14, 2019.
